Hi Lucita and Laura: Darcy asked that I share these with you for your review.

NRC has reviewed these and had no comments (although its not entirely clear if their management has finished reviewing them).

I plan to add these Qs and As in updating our Communications Strategy for Dewey Burdock final permit issuance later this month.

Laura: I have also attached the most recent version of the CS we used to support draft permit issuance in 2019.

Thanks,

Douglas
